## WHOLESALE STOCK MEN'S CLOTHING BOUGHT BY

Europe is killing all her sheep and the war contracts taking all our wool, this **HALF PRICE** clothing sale is good for you.

**Anderson's**  
"SATISFACTION OR YOUR MONEY BACK"

This sale of a Thousand Men's Suits and more than a Thousand Pairs Men's Pants, offers great saving to the prudent buyer.

At Knoxville, Tenn., The Regal Manufacturing Co., makers of men's and young men's clothing, decided to change their business. They had \$50,000.00 worth of men's and boys' good clothing and they wanted somebody to take the entire lot and pay them the cash. Mr. Anderson was there with the ready cash and bought the entire lot at **HALF-PRICE**, then wired us to come and get our share. We went down last week and selected the biggest lot of men's and boys' suits and odd pants this house has ever owned at one time. Mr. Anderson remarked on looking over the piles of clothing laid out for here—"You are taking back to Hopkinsville the biggest, best and most remarkable purchase of clothing that city has ever known." This clothing is all new and was never shown on a retail counter 'till now.

**SATURDAY, JUNE 5TH**, we place this great stock of clothing on sale at prices that will absolutely astound the most vociferous clamorer after bargains. To make the sale more general, we have added hundreds of items all over the big store and propose to make this ten-day sale the great mercantile event of the year.

### A Message to Men Straight and True:

The present war is consuming 260,000,000 pounds of wool a month. This is far in excess of the world's supply, and the final result is just as plain as an attempt to subtract three from two. This fall you will find clothing higher and scarcer than it has been since the Civil War.

This \$50,000.00 purchase of clothing at half-price emphasizes anew the ANDERSON source of supply to Hopkinsville.

The ANDERSON STORE says to you sir: That, whether you are a young man or an old man, or a middle-aged man, if you miss this sale you will **LOSE HALF THE PRICE OF YOUR SUIT**—that's all.
